## LEGISLATIVE COUNCIL OF INDIA.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor-General on the 26th December 1860, and is hereby promulgated for general information:—

### ACT NO. XLVIII OF 1860.

*An Act to amend Act XIII of 1856 (for regulating the Police of the Towns of Calcutta, Madras, and Bombay, and the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca.)*

WHEREAS it is expedient to amend certain provisions of Act XIII of 1856; It is enacted as follows:—

I. Sections XIII, XV, XXXII, XXXIII, XXXIV, XXXVIII, XXXIX, Sections repealed. XL, XLIII, L, LI, LII, LV, LIX, LXVII, LXV, LXVI, LXVIII, LXXXI, LXXXII, XCIX, CV, CXII, and CXV, of Act XIII of 1856 (for regulating the Police of the Towns of Calcutta, Madras, and Bombay, and the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca), are repealed, and the following Sections shall be read with and taken as part of the said Act XIII of 1856.

II. Whoever, being a member of the Police Force, or being employed in any Police Officers Police Office, asks for or takes any bribe or unauthorized reward, may be dismissed by order of the Commissioner, and upon conviction before a Magistrate shall be liable to a fine not exceeding five hundred Rupees, or to imprisonment with or without hard labor for any term not exceeding six months.

III. No member of the Police Force, to be enrolled under this Act, shall be at liberty to resign his office, without leave, or two months' notice, or to withdraw himself from the duties thereof, unless expressly allowed so to do in writing by the Commissioner, or unless he shall have given to the

Commissioner six months' notice of his intention if a member of the mounted branch of the said Force; and two months' notice if a member of any other branch; and every member of the said Force, who shall so resign or withdraw himself without such leave or notice, shall be liable, on the order of the Commissioner, to forfeit all arrears of pay then due to him; and, on the sentence of a Magistrate, if such Magistrate shall think fit, to pay a fine not exceeding fifty Rupees, or to be imprisoned with or without hard labor for any term not exceeding two months.

IV. Clause 1.—Whenever in the Towns of Calcutta and Madras, or in Jurisdiction of any of the Stations of the Police Magistrate in Straits' Settlement any person

certain cases. is charged before the Magistrate with having committed any of the offences mentioned in Sections XXVII, XXVIII, and XXIX of Act XIII of 1856, or with having committed within the local limits of the Supreme Court or of the Courts of Judicature of such Stations the offence mentioned in Section V of Act XXI of 1838, and by reason of the value of the property charged to have been stolen, embezzled, misapplied, or obtained or attempted to be obtained under false pretences, or for any other cause, the offence is not by law summarily cognizable by a single Magistrate, and some material witness is about to sail from the Port, it shall be lawful for two Magistrates, upon proof of the matters aforesaid, if they shall deem it probable (with reference to the time appointed for the departure of the ship or vessel in which such witness is about to sail) that the prosecution by indictment in the Supreme Court or the said Court of Judicature of the person so charged will be ineffectual in consequence of the absence of such material witness, to hear and determine the charge summarily under this Act, and, on conviction, to sentence the offender to imprisonment with or without hard labor for a term not exceeding twelve months, and in cases falling under the said Section XXVII, also to sentence such offender, if a male, to corporal punishment not exceeding thirty stripes of a rattan.

**Clause 2.** In the Town of Bombay a Magistrate may commit persons charged with such offences as aforesaid for trial before the

Similar charges at Bombay to be tried by the Petty Sessions. The said Court may, on conviction, sentence the offender to a like term of imprisonment or punishment.

**Clause 3.** It shall be lawful for the said two Magistrates and the said Court of Petty Sessions respectively, if they deem that the charge is from any circumstances fit to be made the subject of prosecution by indictment rather than to be summarily disposed of, to commit the person charged for trial before the Supreme Court or Court of Judicature.

**V.** Upon a conviction for any of the offences mentioned in Sections XXVII, XXVIII, and XXIX of Act XIII of 1856, or under the foregoing Section of this Act, the Magistrate or Magistrates, (as the case may be), and in Bombay the Court of Petty Sessions in cases committed to that Court, may order the restitution of the property forming the subject of the charge, if forthcoming, to the owner: and in case of its not being restored pursuant to such order, may impose on any person refusing or neglecting to restore the same, a fine not exceeding the value of the said property, which the Magistrate or Court may order to be paid to the owner or his representative.

**VI.** Upon a conviction for any of the offences mentioned in Sections XXVII, XXVIII, and XXIX of Act XIII of 1856, and in Section IV of this Act, the Magistrate or Magistrates, (as the case may be), and in

## FINANCIAL DEPARTMENT.

—  
No. 150.

Fort William, the 28th December 1860.

SUMMARY OF CONSTRUCTIONS OF INCOME TAX ACTS  
XXXII. AND XXXIX. OF 1860.

A debt, ascertained to be a bad debt in one year, can only be taken into account as a loss and set off against the profits of the year in which it is so ascertained Section XCIVIII, to be a bad debt, and no portion Rule 4. of such debt, *after* it has once been set off against the profits of one year, can be set off against, or taken in reduction of the profits of the next, or of any succeeding year.

Thus A. B. having set off a loss arising from the discovery in 1859, that a debt previously treated as good is a bad debt, against the profits of that year, which, are thereby wholly absorbed; and having thus obtained exemption from assessment for one year cannot carry forward the balance of the debt in the next, or any subsequent year.

The principle of the Tax as a Tax on Income is to assess the duties on the actual profits of each year without reference to the profits made or losses sustained in any other year. Thus, if a man sustain in 1859 losses which swallow up all his profits for the year, he will, in making his return for 1860, based upon the profits of 1859, have no profits whatever to return. But if in 1860 he makes a clear profit although that profit may not be sufficient to meet the losses of 1859, he will have to return in 1861 the whole net profits of 1860, without making any deduction for the balance of loss remaining over from 1859. A bad debt does not in this respect differ from any other kind of loss. The difficulty may be greater in determining when it is to be treated as a loss, but when once this has been ascertained, it must be determined once for all, and no part of it can be taken in diminution of the profits of a year subsequent to that in which it was originally treated as lost.

The refusal of a Public Company to declare a dividend can of itself make no difference whatever in regard to the assessment of the profits of the Company. Such Company is entitled to deduct a bad debt from the profits of the year in which the debt is ascertained to be a bad debt, but it must do so, as an individual must, once for all and however prudent and reasonable its conduct may be in not declaring a dividend from the profits of one year, until a loss made or ascertained in a previous year, (whether in the shape of a bad debt or not,) is made good the right of the State to the duties upon the net profits of each succeeding year, calculated according to the Act, cannot be affected thereby.

With respect to the meaning of the term "bad debt," it is almost impossible to give any definition of it which shall apply to all cases, and much must be left to the discretion of the Commissioners in determining what shall be, and what shall not be allowed as a bad debt. The only general definition that can be safely given of it is that it

must be a debt which has been during the period for which the return of profits has been made, for the first time ascertained to be irrecoverable and has been *bona fide* and upon reasonable grounds written off to profit and loss, or otherwise so dealt with in the Creditors' Books as to leave any amount that may in any subsequent year be recovered to enter into the profits of such subsequent year. Where this has occurred with reference to part of a debt, the part so ascertained and so dealt with may be treated as a bad debt, while the rest cannot be so treated.

A Firm which has long had in its books a debt known to be bad, but which it has not (in consequence of some rule of the Firm or of inadvertence), previously written off to profit and loss, cannot by merely writing it off in the year for which the profits are estimated claim an allowance for the debt as a bad debt chargeable against the profits of that year. Such a debt will not fulfil the condition of having been *for the first time* ascertained to be a bad debt during the period for which the profits are estimated, nor can a Firm having ascertained in that period that a debt is absolutely bad and irrecoverable to an extent more than sufficient to swallow up the profits of that year, satisfy the conditions of the Act by merely writing off to profit and loss in that year so much as will meet their profits carrying on the balance of the debt as an asset in the accounts of the next year, and repeat the process the next year by then carrying that balance to profit and loss and setting off such apparent loss against the profits of such next year. It is clear that in such a case the Firm could (and probably, but for the object of avoiding the Income Tax, would,) have written off in the first year not merely the part which exactly balanced the profits of that year, but the whole or so much as was ascertained to be irrecoverable. The first writing off to profit and loss of a part only would not be such a *bona fide* or reasonable dealing with the debt in the books as would satisfy the conditions above stated.

The main principle for the Commissioners to bear in mind in each case will be that the debt must be one by the discovery of the badness of which in whole or in part the profits of the particular year may reasonably and *bona fide* be deemed to have been diminished. But the mode of applying this principle to each particular case must necessarily be left greatly to the judgment of the Commissioners.

The amount paid to a Silladar of a Corps of Irregular Cavalry being supposed to be just sufficient to cover the expenses of his Horse and Accoutrements, and being in fact a Horse allowance, is not chargeable with Income Tax.

SUMMARIES OF CONSTRUCTIONS OF INCOME TAX ACTS  
XXXII. AND XXXIX. OF 1860.

Municipal Offices held under the provisions of

Financial Department Government of India, 21st December 1860, No 12370, Section C. Rule 2.

## Schedule 4.

assessable under the Rules relating to that Schedule.

A party claiming to be exempted from the payment of Income Tax, or to be assessed at the rate of 2 instead of 4 per Cent., must prove to the satisfaction of the Commissioner or Collector that his annual income or profits, from whatever

source derived, are less than 200 Rupees when entire exemption is claimed, or less than 500 Rupees when the claim is to be assessed at the lower rate.

This construction was given in the case of a party whose returns, as made to the Assessor, shewed an annual income derived from the rent of a house and from the interest of money deposited in a Bank of less than 200 Rupees, but who, as a servant in public employ, was in the receipt of a salary of upwards of 4,000 Rupees a year, and it was pointed out that all Assessors should have sufficient knowledge of the general income and position of the persons submitting their returns to them, not to admit to exemption a person in a case such as that mentioned.

The words "in whatever District situated," as used in Rule IV, Section Rule 4.

Section XCVII, XCVII. of Act XXXII. of 1860, apply to the duties which are assessable under Schedule 1 of the Act and which are chargeable only on the profits arising from lands and houses in India. A party residing in the British Territories in India will, in accordance with Rule 22,

Section XCVIII, XCVIII. of the Act, Rule 22. which is the rule under which

duties are to be assessed and charged in respect to income or profits arising from *any* property situated out of India, have to pay upon any income or profits from whatever source derived, which such party may receive in India, whilst if he reside out of the British Territories in India he will be liable to be assessed and charged only upon the income he may receive from property situated in those Territories.

The case put was that of a Thakoor residing in the British Territories in India, who, in addition to customs and other duties, enjoyed large revenues derived from lands and houses situated in places beyond those Territories.

A sum of money granted to a public servant as Financial Department a gratuity on his discharge Government of India, from Civil employ is not liable to be assessed with No. 12429, Section XXVII, under Section XXVII, Act

XXXII. of 1860. The amount should be paid in full, and should be left to be dealt with by the Assessor of the District in which the party entitled to the same resides.

should in future be quoted in all references or instructions, and ordered that a separate printed copy of the Summaries be forwarded with each copy of the *Gazette*, for use in the Office of the Authority receiving the *Gazette*.

With respect to the Officer in charge of the Poosah Depôt, His Honor in Council directs that a copy be allowed him. As regards the Deputy Superintendent at Kooruntadhee, His Honor in Council is also pleased to allow him a copy, if no other Public Officer at that Station or at Buxar receives one.

Purchasers taking out certificates or orders for the delivery of Opium, after making full payment, as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lot or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts or deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale-Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand tender, at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or to Rupees 1,000 for each lot,

12. With a view to prevent fictitious bidding, designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot, after it has been offered for sale in the mode here described, shall be held and declared to be the purchaser of the said lot; and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the second Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price, and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1. Certificate of the Opium now advertised for Sale.

No. 2. Report of the examination of such Opium.

16. The public are hereby informed that, in providing the investment of the Behar and Benares Opium for the year 1859-60, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four chests of Behar and Benares Opium, *viz.* two of the season's provision under Sale, and two of the previous season, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has been kept.

17. Any further information respecting weight or quality of the Opium advertised for Sale, that may be desired by parties connected with the

trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue; but, in accordance with established usage, under no circumstances will the Board entertain or recognise any claim to compensation for loss from any deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to chests after the Sale and delivery of the Opium for shipment.

18. The public are hereby informed that, in addition to the quantity above-mentioned for Sale in January, the following quantities, more or less, of Behar and Benares Opium of 1859-60, will be brought to Sale in the year 1861, on or about the dates specified below. The Board, however, reserve to themselves the right of altering these dates, should circumstances render it expedient to do so:—

and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the twelve Sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity

reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

IT having been notified by His Highness the Rajah's Proclamation, dated 30th Thoolam } ultimo, that the Pepper Monopoly, as hitherto administered in Travancore, has been abolished ; and that a duty on that staple, of 15 Company's Rupees per Candy of 500 English lbs., has been substituted ; the following rules are promulgated, respecting the trade in the article, and the levy of the said duty thereon.

2. The purchase and sale of Pepper within the Territories of His Highness are entirely free.

3. Pepper intended for exportation shall be taken to the Cusbah of the Talook in which it is produced, where it shall be weighed, and a duty of 15 Company's Rupees shall be paid for every Candy of 500 lbs. English.

4. The exporter shall be furnished with a printed Rowanah or Pass, under the signature of the Officer to whom the duty is paid, specifying the quantity of Pepper passed, and the amount of duty paid.

5. Pepper covered by a Rowanah or Pass, as above described, may be exported by Sea, from the Ports of Allepey and Quilon; and by land through the Chowkies of Velliamuttum, Paroovunthanum, Achencoil, Arieneau, Colathoorpolav, Arambooly, Aroocooty, Bhagavathicottah and Verapolay.

6. The exporter will exhibit the Pass to the Customs Officer at the Port or Chowkey through which the Pepper is exported. It is the duty of the Officer to satisfy himself that the quantity of Pepper brought for exportation corresponds with that stated in the Pass. Having done so, he shall allow the Pepper to pass without any charge whatever, and shall retain the Rowanah and transmit it to the Huzzoor.

7. Upon any Pepper in excess of the quantity shown in the Pass, the duty of 15 Company's Rupees per Candy shall be collected, unless the excess amounts to more than 10 per Cent., in which case the excess shall be confiscated, but the quantity shown in the Pass shall be allowed to pass without detention. Pepper not exceeding one lb., intended for personal use, shall be allowed to pass the Chowkies free of duty.

8. Any persons desiring to ship Pepper from British Cochin should apply to the Frontier Customs Officer for a Certificate, when the Rowanah will be exchanged for a printed Certificate, purporting that the due of the Travancore Government has been paid. Pepper covered by such a Certificate will be exempt from duty at British Cochin, or, if duty be levied at that Port, it shall be refunded by the Travancore Sirear.

9. A fee of half a Co's Rupee will be payable on every Rowanah and Certificate respectively.

10. Any Pepper in excess of 40 lbs., not covered by a Rowanah, which may be found on a River, Canal or Back-water, or in transit between the Frontier of Travancore and the Cusbah of the Talook in which it is produced, will be considered to be smuggled, and will be liable to seizure and confiscation.

11. For the convenience of exporters, it is competent to Tassildars to depute Sirkar Officers, either to public fairs or (on the application of the proprietors,) to private premises, to collect the duty and grant Rowanahs for Pepper, in order to save the expense of carrying the Pepper to the Cusbah. In such cases, a fee of one Co's Rupee per Candy shall be paid by the owner of the Pepper for every Candy up to four Candies, and of a quarter of a Rupee on every Candy above that quantity.

## LEGISLATIVE COUNCIL OF INDIA.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor-General on the 26th December 1860, and is hereby promulgated for general information:—

### ACT NO. XLVIII OF 1860.

*An Act to amend Act XIII of 1856 (for regulating the Police of the Towns of Calcutta, Madras, and Bombay, and the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca)*

WHEREAS it is expedient to amend certain provisions of Act XIII of 1856; It is enacted as follows:—

I. Sections XIII, XV, XXXII, XXXIII, XXXIV, XXXVIII, XXXIX, Sections repealed. XL, XLIII, L, LI, LII, LV, LIX, LXVII, LXXV, LXXVI, LXXVIII, LXXXI, LXXXII, XCIX, CV, CXII, and CXV, of Act XIII of 1856 (for regulating the Police of the Towns of Calcutta, Madras, and Bombay, and the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca), are repealed, and the following Sections shall be read with and taken as part of the said Act XIII of 1856.

II. Whoever, being a member of the Police Force, or being employed in any Police Office, asks for or takes any bribe or unauthorized reward, may be dismissed by order of the Commissioner, and upon conviction before a Magistrate shall be liable to a fine not exceeding five hundred Rupees, or to imprisonment with or without hard labor for any term not exceeding six months.

III. No member of the Police Force, to be enrolled under this Act, shall be at liberty to resign his office, without leave, or to withdraw himself from the duties thereof, unless expressly allowed so to do in writing by the Commissioner, or unless he shall have given to the

Commissioner six months' notice of his intention if a member of the mounted branch of the said Force; and two months' notice if a member of any other branch; and every member of the said Force, who shall so resign or withdraw himself without such leave or notice, shall be liable, on the order of the Commissioner, to forfeit all arrears of pay then due to him; and, on the sentence of a Magistrate, if such Magistrate shall think fit, to pay a fine not exceeding fifty Rupees, or to be imprisoned with or without hard labor for any term not exceeding two months.

IV. Clause 1.—Whenever in the Towns of Calcutta and Madras, or in any of the Stations of the Police Magistrate in Straits' Settlement any person charged before the Magistrate with having committed any of the offences mentioned in Sections XXVII, XXVIII, and XXIX of Act XIII of 1856, or with having committed within the local limits of the Supreme Court or of the Courts of Judicature of such Stations the offence mentioned in Section V of Act XXXI of 1838, and by reason of the value of the property charged to have been stolen, embezzled, misapplied, or obtained or attempted to be obtained under false pretences, or for any other cause, the offence is not by law summarily cognizable by a single Magistrate, and some material witness is about to sail from the Port, it shall be lawful for two Magistrates, upon proof of the matters aforesaid, if they shall deem it probable (with reference to the time appointed for the departure of the ship or vessel in which such witness is about to sail) that the prosecution by indictment in the Supreme Court or in the Court of Judicature of the person so charged will be ineffectual in consequence of the absence of such material witness, to hear and determine the charge summarily under this Act, and, on conviction, to sentence the offender to imprisonment with or without hard labor for a term not exceeding twelve months, and in cases falling under the said Section XXVII, also to sentence such offender, if a male, to corporal punishment not exceeding thirty stripes of a rattan.

*Clause 2.* In the Town of Bombay a Magistrate may commit persons charged with such offences as aforesaid for trial before the Court of Petty Sessions, and

Similar charges at Bombay to be tried by the Petty Sessions. The said Court may, on conviction, sentence the offender to a like term of imprisonment or punishment.

*Clause 3.* It shall be lawful for the said two Magistrates and the said Court of Petty Sessions respectively, if they deem that the charge is from any circumstances fit to be made the subject of prosecution by indictment rather than to be summarily disposed of, to commit the person charged for trial before the Supreme Court or Court of Judicature.

*V.* Upon a conviction for any of the offences mentioned in Sections XXVII, XXVIII, and XXIX of Act XIII of 1856, or under the foregoing Section of this Act, the Magistrate or Magistrates, (as the case may be), and in Bombay the Court of Petty Sessions in cases committed to that Court, may order the restitution of the property forming the subject of the charge, if forthcoming, to the owner: and in case of its not being restored pursuant to such order, may impose on any person refusing or neglecting to restore the same, a fine not exceeding the value of the said property, which the Magistrate or Court may order to be paid to the owner or his representative.

*VI.* Upon a conviction for any of the offences mentioned in Sections XXVII, XXVIII, and XXIX of Act XIII of 1856, and in Section IV of this Act, the Magistrate or Magistrates, (as the case may be), and in

Bombay the Court of Petty Sessions in cases committed to that Court, may impose upon the offender, in addition to the punishment for the offence, a fine not exceeding the loss appearing to be caused to the persons who have suffered thereby, and may pay or distribute the proceeds of the said fine or any part thereof, to or for the benefit of the said persons.

*VII.* Whoever assaults or resists, or aids or incites any person to assault or resist, any Police Officer in the execution of his duty, shall be liable to a fine not exceeding

two hundred Rupees, or to imprisonment with or without hard labor for any term not exceeding six months; and if the offender shall at the time of committing the offence be undergoing a former sentence of imprisonment, the imprisonment awarded under this Section shall commence and take effect from and after the expiration of such former sentence.

*VIII.* Whoever escapes or attempts to escape from or out of any legal custody, shall be liable to be imprisoned with or without hard labor for any term not exceeding three months; and such imprisonment shall commence and take effect from and after the expiration of any sentence of imprisonment under which such person may be confined at the time of committing the offence aforesaid.

*IX. Whoever* without satisfactory excuse wilfully trespasses in or on any dwelling-house or premises, or any land or ground attached thereto, not thereby causing any actual damage, or on any ground belonging to Government, or appropriated to public purposes, shall be liable to a fine not exceeding twenty Rupees

*X.* If any person, having sufficient means, neglects or refuses to maintain his wife or any legitimate or illegitimate child unable to maintain himself, it shall be lawful for a Magistrate, upon due proof thereof, to order such person to make a monthly allowance for the maintenance of his wife or such child as aforesaid, at such rate, not exceeding fifty Rupees in the whole, as to the Magistrate shall seem reasonable; and if such person shall wilfully neglect to comply with the said order, the Magistrate may, by warrant, direct the amount due to be levied in the manner herein-after provided for levying fines; or may order him to be imprisoned with or without hard labor for any term not exceeding one month. Provided always that any such person shall be at liberty to apply to the Magistrate, from time to time, for a reduction of such monthly allowance, on proof of an alteration in the circumstances of himself, his wife, or child, justifying such reduction. Provided also that, if such person offers to maintain

his wife on condition of her living with him, and his wife shall refuse to live with him, it shall be lawful for the Magistrate to consider any grounds of refusal stated by such wife, and he may make the order aforesaid, notwithstanding such offer aforesaid, if he shall be satisfied that such person is living in adultery or that he has habitually treated his wife with cruelty.

FROM THE UNDER-SECRETARY TO THE  
GOVERNMENT OF INDIA,

TO THE GOVERNMENTS OF FORT ST. GEORGE,  
BOMBAY, BENGAL, AND THE NORTH-  
WESTERN PROVINCES.

*Dated, Fort William, the 2nd January 1861.*

WITH reference to Part XVI. of the Income Tax Act (No. XXXII. of \* Dated 21st November. 1860), I am directed to forward the subjoined Extract\* from a letter from F. Cooper, Esquire, C. B., Deputy Commissioner of Delhi, regarding the use of a cipher in working the Income Tax:—

“ By the cipher system I mean as follows:—

“ The general Registrar is of course kept under lock and key, but the names and particulars of persons instead of being copied into the Assessor's abstract appear in cipher. Thus ‘ Choona Mul’, whose income is a lac, and who will have to pay 4,000 Rupees, has his number—say 70—in the order of assessment as he appeared), and his cipher Aa. or A. B. in

“ rotation. He will receive his receipts in cipher from the Assessor, who will receive all money payments; and pay in to the Treasury in even sums—say 20,000 Rupees a day, so that it will be impossible for the Cutcherry lynxes to detect individual amounts. These arrangements have caused much satisfaction. The people don't care about our knowing their incomes, but they shrink from each other's knowing.”

2. The President in Council requests that the will be so good as to consider the expediency of introducing arrangements similar to those indicated by Mr. Cooper, and for giving publicity to the fact that such arrangements have been made for the benefit of all who may desire to make use of them. This is one of the cases where a salutary provision of the law may easily become inoperative unless some little trouble be taken by the Officers of Government charged with its administration.

3. It is obviously necessary for the maintenance of secrecy that the payments should be made either in the manner suggested by Mr. Cooper, or in some other way which shall effectively prevent the Treasurer and his Subordinates discovering from the party paying the money into the Treasury who the real payer is.

*Copy of a letter No. 849, dated the 24th September 1860, from the Financial Commissioner, Punjab, to the Secretary to Government, Punjab.*

I HAVE the honor to forward for sanction draft of a Circular which I would propose to issue on the subject and pies from Treasury Accounts. of limiting the use of fractional portions of a Rupee in account. As regards pies the practice is simply absurd. Farthings do not appear in the Public Accounts in England.

Out of deference to the Accountant, whose letter I enclose, I have added (6) six exceptions, but I submit that they might be more or less got rid of by order of Government.

As regards since they should never be less than one Rupee. As regards forfeitures no sum less than one anna should be entered. As regards saving of Establishments, deductions should never be made less than one Rupee. As regards deposits no sum less than one anna should be entered in the Books. As regards Interest no change can be introduced. The same remark applies to deductions for the Funds and Pensions, but if His Honor should think fit to address the Government of India, perhaps some authoritative order could be elicited.

4. At any rate the orders as far as it goes may at once be enforced, and would give relief and simplicity to our Accounts.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA.

Camp Mungowa, 26th December 1860.

No. 104. of 1860.—The following Extract from a Military Letter from the Right Hon'ble the Secretary of State for India, No. 397, of the 31st October 1860, respecting the application of the Royal Warrant for the Medical Department of the Indian Army, dated 13th January 1860, are published for general information:—

2. "The construction\* you have put upon the

\* Extract Letter No. 174, dated 17th July 1860, paragraph 2.  
" We have promoted to the rank of Surgeon Major for all Surgeons who have been twenty years in the Service from date of first admission." term "service in India," used in the 1st Clause of the Royal Warrant, in describing the qualification for promotion to the rank of Surgeon Major, is not strictly in accordance with the intention of Her Majesty's Government. The promotion to this rank of all Surgeons who have been twenty years in the Service from date of first admission will not, however, be cancelled, but in future it must be laid down that no time passed out of India can be reckoned towards the qualification for the rank of Surgeon Major, beyond the proportion of furlough which is, or may be, allowed to reckon as service for retiring Pension.

3. For the reasons stated in the 4th and 5th

† Extract, paras. 4 and 5, of Letter No. 174, dated 17th July 1860.  
" It is pointed out by the Principal Inspector-General, Medical Department, that there are many Assistant Surgeons whose promotion is close at hand, who have been serving in extra-regimental posts which have heretofore been considered equivalent to Regimental service, but who will not come under the provisions of Clause 3 if literally acted on; and that there are others who, from the exigencies of the Service, have been employed at Civil Stations without having performed the prescribed Military duty, who are, in like manner, ineligible for promotion.

In favor of these, Mr. Forsyth advocates an exception, and we beg to recommend that the Assistant Surgeons so situated may, notwithstanding their disqualification, be allowed their promotion, but that the rule in the Royal Warrant be enforced strictly in the case of all Assistant Surgeons whose tenure for promotion may be arrived at in periods beyond two years from the date of publication of the decision of Her Majesty's Government on this reference."

carefully observed in future, and that the rule in Clause III. of the Royal Warrant be observed strictly in the case of all Assistant Surgeons whose turn for promotion under the old rule may come after two years from the date of publication of this decision in Calcutta.

4. The situations named in the margin may, as heretofore, be considered equivalent to Regimental duty for the above purpose."

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 12th January, will be afterwards accepted.

8. The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 22nd January 1861; and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium, after making full payment, as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lot or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts or deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale-Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per cent. even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious bidding, designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot, after it has been offered for sale in the mode here described, shall be held and declared to be the purchaser of the said lot; and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the second Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price, and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1. Certificate of the Opium now advertised for Sale.

No. 2. Report of the examination of such Opium.

16. The public are hereby informed that, in providing the investment of the Behar and Benares Opium for the year 1859-60, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four chests of Behar and Benares Opium, *viz.* two of the season's provision under Sale, and two of the previous season, will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has been kept.

17. Any further information respecting weight or quality of the Opium advertised for Sale, that may be desired by parties connected with the

trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue; but, in accordance with established usage, under no circumstances will the Board entertain or recognise any claim to compensation for loss from any deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to chests after the Sale and delivery of the Opium for shipment.

18. The public are hereby informed that, in addition to the quantity above-mentioned for Sale in January, the following quantities, more or less, of Behar and Benares Opium of 1859-60, will be brought to Sale in the year 1861, on or about the dates specified below. ## Notice.

IT having been notified by His Highness the Rajah's Proclamation, dated 30th Thoolam } ultimo, that the Pepper Mono- 13th November } poly, as hitherto administered in Travancore, has been abolished; and that a duty on that staple, of 15 Company's Rupees per Candy of 500 English lbs., has been substituted; the following rules are promulgated, respecting the trade in the article, and the levy of the said duty thereon.

2. The purchase and sale of Pepper within the Territories of His Highness are entirely free.

3. Pepper intended for exportation shall be taken to the Cusbah of the Talook in which it is produced, where it shall be weighed, and a duty of 15 Company's Rupees shall be paid for every Candy of 500 lbs. English.

4. The exporter shall be furnished with a printed Rowanah or Pass, under the signature of the Officer to whom the duty is paid, specifying the quantity of Pepper passed, and the amount of duty paid.

5. Pepper covered by a Rowanah or Pass, as above described, may be exported by Sea, from the Ports of Allepey and Quilon; and by land through the Chowkies of Velliamuttum, Paroovunthanum, Achencoil, Arieneau, Colathoorpolay, Arambooly, Aroocooy, Bhagavuthicottah and Verapolay.

6. The exporter will exhibit the Pass to the Customs Officer at the Port or Chowkey through which the Pepper is exported. It is the duty of the Officer to satisfy himself that the quantity of Pepper brought for exportation corresponds with that stated in the Pass. Having done so, he shall allow the Pepper to pass without any charge whatever, and shall retain the Rowanah and transmit it to the Huzzoor.

7. Upon any Pepper in excess of the quantity shown in the Pass, the duty of 15 Company's Rupees per Candy shall be collected, unless the excess amounts to more than 10 per Cent., in which case the excess shall be confiscated, but the quantity shown in the Pass shall be allowed to pass without detention. Pepper not exceeding one lb., intended for personal use, shall be allowed to pass the Chowkies free of duty.

8. Any persons desiring to ship Pepper from British Cochin should apply to the Frontier Customs Officer for a Certificate, when the Rowanah will be exchanged for a printed Certificate, purporting that the due of the Travancore Government has been paid. Pepper covered by such a Certificate will be exempt from duty at British Cochin, or, if duty be levied at that Port, it shall be refunded by the Travancore Sircar.

9. A fee of half a Co's Rupee will be payable on every Rowanah and Certificate respectively.

10. Any Pepper in excess of 40 lbs., not covered by a Rowanah, which may be found on a River, Canal or Back-water, or in transit between the Frontier of Travancore and the Cusbah of the Talook in which it is produced, will be considered to be smuggled, and will be liable to seizure and confiscation.

11. For the convenience of exporters, it is competent to Tassildars to depute Sirkar Officers, either to public fairs or (on the application of the proprietors,) to private premises, to collect the duty and grant Rowanahs for Pepper, in order to save the expense of carrying the Pepper to the Cusbah. In such cases, a fee of one Co.'s Rupee per Candy shall be paid by the owner of the Pepper for every Candy up to four Candies, and of a quarter of a Rupee on every Candy above that quantity.

OFFICE OF THE DIRECTOR-GENERAL  
OF THE POST OFFICE IN INDIA,  
January 1st, 1859.

The following Conditions are to be observed in sending Book-Packets by Post:—

1st.—The Postage must be pre-paid in full, by means of Postage Stamps affixed outside the Packet on its cover.

2nd.—Every Packet must be sent either without a cover, or in a cover open at the ends or side, so as to admit of the enclosures being removed for examination.

3rd.—The Packet may contain any number of separate books or other publications, prints or maps, and any quantity of paper, parchment or vellum (to the exclusion, however, of letters whether sealed or open) and the books or other publications, prints, maps, &c., may be either printed, written or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise,) in the case of books; and in short whatever is necessary for the safe transmission of literary or artistic matter or usually appertains thereto.

4th.—The Packet must not contain any letter, closed or open, or any enclosure, sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such Packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

5th.—No Book-Packet can be received if it exceeds two feet in length, width, or depth.

6th.—Any Packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written or printed in it or upon its cover will be charged with Letter Postage.

7th.—If a Packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the Packet, charged with full Postage as an unpaid letter together with an additional Book-rate; that is, with the Postage chargeable on a Book weighing not more than half a lb, the remainder of the Packet, if duly pre-paid with Stamps, will then be forwarded to its address.

8th.—If a Packet be not sufficiently pre-paid with Stamps but nevertheless bear Stamps equal to a single Book-rate, it will be forwarded charged with the deficient Book-Postage together with an additional Book-rate; but any Packet which shall not bear Postage Stamps equal to a single Book-rate will be detained and charged with the Letter Postage.

9th.—No Book-Packet weighing more than three lbs can be sent to or from the East Indies or to New South Wales.

10th.—The Colonial Book-Post extends to those Colonies only which are so marked in the Table of Colonial and Foreign Postage.

11th.—In no case can a Book-Packet be sent to the Colonies (except at the letter rate of Postage,) through a Foreign Country.

SPECIAL Notice is directed to the subjoined Clauses of Rules, the want of attention to which has occasioned the Post Office much inconvenience.

2nd.—A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd.—Under Section XXIII. of Act XVII. of 1854, Forward Postage will be charged in addition to all other Postage due or paid thereon upon every letter without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th.—The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to except in the case of letters received for delivery.

LETTERS and Newspapers despatched to and from the United Kingdom by private Vessels are liable to the following rates of Postage, which must be pre-paid by Stamps:—

	Rs. As. Pic.
Letters not exceeding $\frac{1}{2}$ oz. in weight	... ... 0 4 0
Ditto exceeding $\frac{1}{2}$ oz. but not exceeding 1 oz.	... ... 0 8 0

And so on adding 8 annas for each oz. or fraction thereof which includes Inland Postage.

Newspapers not exceeding 4 oz. in weight, 1d. or 8 pic must be pre-paid by Stamp, and no Inland Postage is required upon such papers.

Parcels conveyed by the above opportunity for the United Kingdom are liable to Letter rates of Postage.

## Notice.

LETTERS arriving at the Presidency Towns by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address; such changes will be left to be discovered by the Delivery Officers, and be corrected in the forward and unclaimed Departments of the Office.

Forward Postage will be charged in addition to all other Postage due or paid thereon, upon every letter, without exception, which may be re-directed in the Post Office.

Letters, &c., received by the Steamer will be delivered at the Window of the Post Office only to parties who have registered their names. Applications to the Post Office on the day of the Steamer's arrival to intercept and re-direct letters, &c., cannot be attended to, as they are found not only to impose much labour but seriously retard the delivery and despatch of the Mails.

UNDER the orders of Government, no fourth delivery of letters by the Post Office is allowed. Mails which are received by Steamers from Suez at so late an hour in the day as not to admit of the letters being taken out for delivery by 6 p. m. are detained till the following morning, but parties who have registered their names under the usual fee are entitled to receive their letters and Marseilles Newspapers so soon as the Mails are sorted, and which is generally about 2½ hours after receipt of the Mail, at the Post Office.

*Forward Newspapers.*—Extra or Forward Postage is chargeable on every Newspaper re-directed at the Post Office of original address and forwarded to another Post Office.
